These temperature check screens allow companies to simply and safely measure staff and visitors temperatures upon arrival.

This ensures no one enters the building who could be suffering from a high temperature/ fever which is a major sign of a possible Covid-19 infection. The screens can easily be moved and are designed with a cut out to be used with an infrared forehead thermometer. This allows precautionary measures to be in place to help prevent the spread of the coronavirus.

### Temperature Check Screen

2000x1250mm = £275.00
